Single Circle 23½ mm.
Jones type 42 (+ aster-
isk, no year), LKD 14
AU 63.

Listed in Nipost List 2008 as 'ONICHA-
UKUANI' which is, presumably, a mis-spelling
as no such place appears to exist when searched
for on the Internet, Whereas 'Onicha Ukwuani'
is well documented. Onicha-Ukwuani is in the
Ndokwa land area of Delta State, Nigeria. Ukwuani
is also one of the many languages of
Nigeria.
